

**REQUEST FOR PE WAIVER**  
**(Grades 11 and 12 Only)**

A high school student in Grade 11 or Grade 12 who participates in athletics may waive physical education class during the semester in which s/he is a member of an Aquin athletic team.

Aquin's policy of limiting the number of study halls to ONE per student applies to all students, including those with PE waivers.

If a student with a PE waiver fails to maintain membership on the team for which the student has obtained the waiver, the student will be responsible for making up the PE credit.
